

**DIRECT TESTIMONY OF**

**PAUL FLEURY**

**ON BEHALF OF**

**SOUTH CAROLINA SOLAR BUSINESS ALLIANCE**

**DOCKET NO. 2016-2-E**

**Q. PLEASE STATE YOUR NAME, TITLE AND BUSINESS ADDRESS.**

**A.** Paul Fleury, Chairman of the South Carolina Solar Business Alliance, ("SBA"), 1634 Ashley River Rd., Charleston, South Carolina 29418.

**Q. ON WHOSE BEHALF ARE YOU PROVIDING THIS TESTIMONY?**

**A.** SBA.

**Q. DO YOU HAVE A COMMENT ON THE PREFILED TESTIMONY OF SCE&G'S WITNESS, MR. JOSEPH LYNCH?**

**A.** Mr. Lynch's Testimony indicates that SCE&G plans to update its PR-2 Rate, on at least a biannual basis. For that reason and because that Rate is directly related to SCE&G's Avoided Cost, I would like SCE&G to consider that Tariff having a dedicated Docket, or for SCE&G to consider moving the PR-1 and PR-2 Rates, to SCE&G's Avoided Cost Docket, because they are directly related to SCE&G's Avoided Cost.

1   **Q.   DO YOU HAVE A CONCERN ABOUT A “LEGALLY ENFORCEABLE**  
2       **OBLIGATION”, (“LEO”)?**

3   **A.**Yes. I would like for SCE&G to explain what is required for a Qualifying Facility (“QF”)  
4       to establish a LEO? Specifically, what is required for the Seller to commit to sell the  
5       output of the QF to the Utility and the Utility be required to provide the applicable PR-2  
6       Rate?

7  
8   **Q.   DO YOU HAVE A CONCERN ABOUT POWER PURCHASE AGREEMENTS,**  
9       **(“PPA”)?**

10   **A.**Yes. Does SCE&G plan to seek approval of a PPA with standard terms and conditions  
11       that apply to any QF, that qualifies for SCE&G’s PR-2 Rate?

12  
13   **Q.   DOES THAT CONCLUDE YOUR TESTIMONY?**

14   **A.**Yes.
